hkg-info@mofa.go.kr

Dear Sir:

I, Lin Zhen-man, HKID **D188015 (3)** or **SGID 2665604D**.

Three years ago, from www.ycec.com/911/170219-Kr.pdf visible about the "eGate" things to your Minister of customs a registered letter no any **reply**, so another a letter sent to your ex-consul general, that letter except the "**wash lung**" treatment I also priority to inform I still have an invention of "**saturated brine**" home hygiene at where, but still no any **reply** it is thus clear that question serious yet!

But as www.ycec.net/SG/191130-SNU.pdf visible everyone must to use of that my four major invention also already to convey your each **Uni.** to discussion, which is the "**wash lung**" and "**freezing**" of two major treatment if at **Korean** have open to put in use just to save still more life! As at www.ycec.com/UN/170405-kr.htm that undeniable fact, it is because when the 2015years of **MERS** new SARS uncontrollable in South Korea, the **WHO Margaret Chan** immediately led the **Xushu Chang** professor of CUHK's college of medicine who to go to your country by secretly teaching the "Wash Lung treatment" only can let **MERS** to controlled that fully in the eye of **Park Geun-hye**, if not to open use that equal to personally open to butcher **Korean** life! But after the **core of CP China** just in the dark as a demons to gesticulating and first bought the media and Seoul Attorney General **Li Yonglie** to apply for a arrest order and after the Judge also to **indiscriminate judgment** to impeach, and again pull out the **Moon Jae-in** to kneel down unlisted "**wash lung**" and "**freeze**" the two main treatment continue to massacre Korean life is the fact to exchange that already no need to be repeated at here!

That's because if the "**lung wash**" and "**freezing**" two medical once to open use, but is regarded as the "**national treasure**" of CPC core by "**vaccine**" of "**viral infection**" can to raise **antibodies** that false coaxing that only a **fooling tool** in this century can **no longer be used**, so now Wuhan pneumonia **fraud** only for continue to keep the medicine fraud **also comes from this!**

Although the **Wuhan Mayor** to be loath to do falsify the **Wuhan pneumonia** incident after expelled on Jan., 3, 2020, it only come for "**crazy**" in HK can to double for the **Wuhan's** original place this joke then to shown my a letter at www.ycec.com/HK/200115.pdf visible to Legislative Council of HK after, the CP China was very clear if only by **HK** with **Wuhan** to **fraud** it would be difficult to carry out, if not **sent person** to other countries again self cold fever then again to said come from **Wuhan** that black means start here, so at **South Korea** too have 15case of "**confirmed diagnosis**" to open help CP China to **boast fraud** global on this resulting come out!

But why India by airlift to withdrew nearly 700people from **Wuhan**, no one was infected?! In addition, why "**Carnival Corporation & plc**" owned "**Diamond Princess**" in **Japan** will also be there "**confirmed diagnosis 251case**" and still can to plus or minus? Because only by "**Carnival**" its Chinese name visible still a **fraud toy** in pocket of **CP China** and after as well as to claim **Katsunobu Kato** of **Ministry of Health, Labour and Welfare Gov.**, to tie in by bribe to kneel down that temporarily need not to confer !

Also because so-called the "**Wuhan new corona virus**" can be denied as **MERS** of 2015year at South Korea the new SARS just other of the germs of same clan into the lung to breed only have the virus in body? Such as the moment in time does not run out into the lungs of germs not once to "wash lung" that just can interrupt source of the virus not just can to leave a hospital?

Because of the above those **politico** to face that not to stint to butcher national also must to helped above everyone must use the "**lung wash**" and "**freezing**" two major medical to be preoccupied solely with to barter for immediate interests so **loss of basic human morality** of all the official politicians to suffuse worldwide specifically as today's HK!

Therefore, I at once on Jan., 28, 2020 by a letter to HKU president from www.ycec.com/HK/200128e.pdf or bilingual turn to **.htm** can be clear, anyone must to use and will millennium abiding of "**Lung-Airstreams Epidemic Prevention Law**" only if to use, any **SARS, Bird Flu, flu** or today so-called **Wuhan pneumonia epidemic** to prevention means also at your country must to quarantine, wear masks & washing hands those low **IQ methods with WHO** can **immediately get away!**

But the question is your **Moon Jae-in** president who yes or no still will to kneel down for CP China after to look for a small excuse that just can to order not to popularize for **South Korean**? I also had to speak bluntly at

here, no wonder! 📄

But in this way simple Epidemic Prevention Law in fact shouldn't still must to invention by me and again to spread for worldwide, **as follows**:

- First.** If a febrile patient of head cold, who only must by **left finger** to closing his **left nostril** after violently to inhaling to arrive at the bottom of **right lung** to inform the sensorium and again to vigorously to exhaust out of the **right nostril**, and afterwards change by **right finger** to closing the **right nostril** as left finger to motion three time each that just to bring down a fever!
- Second.** If the inhale & exhaust that dynamics not enough as the aged or child, it is necessary to help by others to pat the left and right lungs let lung gas hole temporary can to expand that just favorable to run out the germs, if as the female or child it only need to pat the back ;
- Third.** If as for children who still don't know how to inhale and exhaust only can crawl all over that child, their parents or babysitters should always to hug by hand again by other hand to pat the back again light jump to tease, if the child still can to laugh more it **inevitable effectively yet!**
- Fourth.** However those who do not have a fever, especially in the spring and summer when the rain, temperature and humidity are infrequent or in the flu season, those who enter or leave the home include students or a large number of people such as assembly, **only need to inhale and exhale by both noses two times** also can **easily to throw away the top of the lungs for a short while enter those germs**, and especially as the **staff of the hospital** is just need at 2-3 hours of once and into the habit, then the conventional by germs virus to infect will no edge **to discard the discard the epidemic mask!**

Just because germs enter the lungs only have virus infection as at www.ycec.com/HK/160519e.pdf a small experiment can to witness "**viruses**" not organisms can to breed in the body, so by this base to **boast** the "virus vaccines" can increase" antibodies" of past **medical scams** went bankrupt!

Your consulate all civil servants are visible fact is, from the www.ycec.com/HK/191004.pdf by me to report a case to police that must to arrest those six medical profession murderer go to court on Oct., 04, 2019, because their long-term to conceal I to save SARS crisis of 2003year that "**wash-lung**" and "**freezing**" two treatment only can to steal use for their friendly not open use for citizen, so up to now to butcher death toll of citizen already to exceed 300,000 person and can not to deny, but soon to be law enforcement of Commissioner of Police **Lu Weicong** at once to dismissed, so today's to rule by law base already nothing to it!

But also from the recent **wireless TV** visible, as long as there is a common cold **fever** at **Hong Mei House** or the mall of **Maritime Square** to appear, so above **six medical profession killers** then immediately came to assume who already to "**confirmed diagnosis**" for a "**new virus**" infected after the whole building residents must to **isolate** that **lie absurd** means just ignore above that a section of the **small experiment** just can for the "**virus infection**" or to give HKU president letter **in** the last page of the square to **roar**: " ...you HKU that **Yuan Guoyong, Gabriel Leung** etc public health professor has no ability objections in writing? " ! 📄

That is can't to **deny** no "**virus**" only have "**germs**" **infection**, and in the atmosphere those **germs** species by **thousands**, that is any new species of **germs** caused have the "**new virus**" so much, but this group of murderers still can to control all medium platforms of HK to "**virus infection**" every day to trick the public no stop the mouth, and to killing people no stop the hand that overall crisis of HK is here! 📄

That is, if have the rule by law with human rights the notion in hand those consuls of various countries in HK have reached the bottom of human nature that **can no longer be silent!** 📄

Another as then **Lin Cheng CE** was to reading above my letter to HKU president that simple "**Lung-Airstreams Epidemic Prevention Law**" undoubtedly after at once to order all office holders cannot to wear mask on Feb., 04, 2020, but at once to threaten will to dismiss only to correct at www.ycec.com/HK/CarrieLam-hk.htm more clear, and after to hearing order must to seal off only to keep the Shenzhen Bay port by quarantine order on Feb., 08, 2020, and only an intention is if I was returning from Shenzhen go back HK that just can to force **quarantine after murder, so today that** resulting chaos hence come to... ; 📄

For more details, please visit www.ycec.com/HK/200213.pdf or transfer to 200213-hk.htm bilingual version, that is I just sent a fax letter to President **Trump, Trump** also reported **Wuhan pneumonia is fraud** on the Feb., 14, 2020 to correction: **never know the true and false!**

But no matter how, above to **HKU** president with **Trump** president two letters those fact no one can to deny, Excellency you still more ought to report and pass on your various government departments and academia see whether to today's the "**without a crown dynasty**" of CP China than "**Qing dynasty**" still more frightening and the real faces of individual groups? ! 📄

Because above the "**Lung-Airstreams Epidemic Prevention Law**" was very simple to include a child of three age to once teach will be good at and need not **patent fees** with not must by WHO or your health department to test and

verify only can to publicize!

Therefore, please immediately inform your *Moon Jae-in* president and each **health departments**, as long as the "**Lung- Airstreams Epidemic Prevention Law**" can open make to know for all **Korean, they will never have a cold and fever in their lifetime**, and by fever to trigger any other lesions also close to zero, and including before in my www.ycec.sg/HK/161007e.pdf or **.com** visible "**saturated brine**" the home hygiene simultaneous application, all **Korean life expectancy will to 130years old is also easy**, hospitals and clinic **also It will be greatly reduced**, any **plague** and "**virus vaccine**" that **medical scams will go to hell forever**, also **waiting for** your country to be the first to **openly apply** that just for today the **world chaos** it immediately **return to normal** that only can write in history to make **Korean fame immortal forever!** 🇰🇷

And today, under by the so-called "**One country Two systems**" trick the **chaos crisis of HK** also have a **turning point**, and must to bear in mind, for to avoid let Chinese Nation entire to Idiot become a flunky nation that a crisis of throughout history at here too! So I would like to requests have **never to hesitate to do what is right** your staff of **consulate** and other countries leader still can not again **to sit on top of the mountain to watch the tigers fight;** 🇰🇷

Just because my time **is very limited** and is temporarily unable to return to HK, but your staff of **consulate** the bilingual of Chinese and English first class, if need, please let their to turn translate and download above related auxiliary parts, or have any questions it can by ycec_lzm@yahoo.com.hk or fax to **852-3007-8352** for me!

This letter only two pages, available later at www.ycec.com/911/200219-kr-e.pdf turn to **.net** or **.sg** can be downloaded to read more!

Thank you!

Respectfully yours

PCT/SG03/00145
