Dear Sir:

I, Lin Zhen-man, HKID 188015(3) or SGID 2665604D.

Three years ago, from www.ycec.com/911/170127-pt.pdf can to see about the "eGate" things to your interior minister a letter after **not reply** so again another letter was sent to you, **but this letter has enough witnesses**, besides "**wash lung**", there is another invention that allows everyone to be **healthy and longevity** to surmount 120 years old of life expectancy and need not by **WHO** for **approval** of the "**saturated brine**" home hygiene, I also to priority requests you must to tell your government to base on the humanity terms must introduce to all **Portuguese**, but same no see a reply it obvious **amazing** to be **puzzled?** 📧

But from www.ycec.com/SG/180824-UC.pdf that everyone must use my four big inventions also simultaneously widely transmitted by email to your each University discussion after, but "**lung wash**" and "**freezing**" two treatments are **still not** seen to have **open applications** so how to save more **Portuguese** lives? As this can't decline heavenly duty it will by **which politician** to burden that already to **worthy of attention!** 📧

Despite whether still have **CP China core organizations** to take action in the dark is temporary unknown ?

Or as shown in www.ycec.com/SG/180810-UB.pdf also widely sent email to spread **Portugal** every university after necessarily have official asked to **LOCPG** Office master Mr. **Zheng Xiaosong** of **Macao** why hide? So the **Zheng Xiaosong** same anger **and non-meeting Xi Jinping** to ask clearly can't, but then **Xi Jinping** to ribbon-cutting ceremony for **HK-Zhuhai-Macao Bridge** of before three days on Oct., 20, 2018, then by invited to discuss on the roof to prevent from but no avail after of the **Zheng Xiaosong** at once push downstairs **massacred**, and still can to called out **Macao police** to "confirmed" suicide is no doubt that case in www.ycec.com/HK/CarrieLam-hk.htm that my a letter to **LOCPG** Office master Mr. **Wang Zhimin** of **HK** to inform the truth after same to angry also must at once to **be removed from office**, so behind **this very bad shadows** under your government yes or not also must kneel by **Portuguese** lives at the expense of non to help conceal can't? 📧

That's because if the "**lung wash**" and "**freezing**" two medical once to open use, but is regarded as the "**national treasure**" of **CPC** core by "**vaccine**" of "**viral infection**" can to raise **antibodies** that false coaxing that only a **fooling tool** in this century can **no longer be used**, and proceed to butcher exceed 40 million patients already to exposed after but still not to stop, so now the **Wuhan pneumonia fraud also comes from this!**

And today, the **Wuhan pneumonia** so-called **plague** or the **WHO** recognized **COVID-19** not beyond the scope of also is the "**corona virus**" disease, and the **one** as **SARS** of 2003 or **MERS** of 2015 year even by germs into the lung to breeding come to brought but still have some **difference** of the "**corona virus**" only!

But why is the **Wuhan pneumonia** still spreading around the world and to scream no medication to cure of "**new corona virus**", so must **non-isolation** and **shut-city** to inalienable **to fool the public?** So in this way that **crazy international medical scam** yes or not it will to harm your country just the **subject** of my this letter, **please read:**

First of all, why start before month can to "**go crazy**" at **HK** than the **Wuhan place doubled?** 📧

It is because of this **subject** was considered a joke when www.ycec.com/HK/200115.pdf that I had a letter Legislative Council of **HK**. So if only by **HK** with **Wuhan** to **fraud** it would be difficult to carry out, if not **sent person** to other countries again self cold fever then again to said come from **Wuhan** as on Feb., 15, 2020 that date still must have **France Gov.**, to tie in that only can to **create** 56 case of "**confirmed diagnosis**" on this resulting come out!

But India by airlift to withdrew nearly 700 people from **Wuhan**, no one was infected! In addition, why "**Carnival Corporation & plc**" owned "**Diamond Princess**" in **Japan** those "**confirmed diagnosis**" case still can to surge? Because only by "**Carnival**" its Chinese name visible still a **fraud toy** in pocket of **CP China** to stop at **Naha** on Feb., 01, 2020, and turn to pull in **Yokohama** on Feb., 04, 2020 but to forbid passenger to land and the **Japan Gov.**, have not the routines at aboard to quarantine, and the **Naha** not a plague zone, why the ship-owner to inform **Ministry of Health, Labour and Welfare Gov.**, already have 10 case of "**confirmed diagnosis**" to asked coerce "**Do you want to go ashore**"?

So the [Ministry of Health, Labour and Welfare Gov.](#), at once trapped cannot but let those ten fever people sent to medical an organ and requests other passenger must to separate in ships, and after must have by the ship-owner to sent in dark controlled the [air conditioner system](#) to injected into the "[sickness germs](#)" to starting cold fever that [counterfeiters have been worth exploring?](#) 

But how to "[confirmed diagnosis](#)" only is the key? It can be seen from the [TV](#) that only by the mouth to scrape out the fluid and again to test have not the "viruses"? If it have then to "[confirmed diagnosis](#)" for a positive, or else for negative, so after again sent out in hinterland the [Zhong Nanshan](#), or [Yuan Guoyong](#), [SC Hui](#) of HK those so-called medical experts to come forward misrepresentation "[virus](#)" has 14days incubation period to [deceive the public](#) that brand new [medical scam](#) again played! 

Just because everyone not too lives in where germs can fly away of atmospheric layer, if the germs don't [enter the lungs](#) and [only at the mouth to die](#), there must had some different [viruses](#) remain early already a normality and do not hurt health! And the "[virus](#)" [not an organism](#) that medical scam already to crack by me the invention, [as follows:](#)

Also because of [PCT/SG03/00145](#) that "[background](#)" of medicine invention to publish by [PCT](#) can to see :
『The English version was also forwarded to "[WHO-Padey](#)", "[WHO-Liden](#)" by [Mey-Verme](#), [Mrs Cnia](#) (WDC) and the leaders who were holding the Geneva meeting on 20 May 2003.』 that have to [your country's](#) health a leading cadre [presence](#): No eggs don't know to save to be aimed at no medicine of [SARS](#) crisis that just is cracked by me the invention? Namely [the virus](#) by the germs [into the lungs breed](#) from, so if only [washed lung to exterminate germs](#) can break [viral origin](#) immediately can to leave hospital ? Your country [health directorate](#) will not to [play the fool](#) don't understand, [that is](#), regardless of any "[new corona virus](#)" do not at once "[wash lung](#)" just can exterminate germ interrupt [source of the virus](#) can be discharged?

But [WHO](#) actually can [help hide](#) and lead [the patient must be slaughtered](#) and indispensable [your people](#) should also pursue its [legal responsibility, yes or not?](#) 

The more critical is the "vaccine" in spite of to "invention" start in Britain on 1898year, but at [www.ycec.com/HK/patent.htm](#) can be seen that already become a "national treasure" of CP China Gov., to abuse to [fool Chinese and HK people](#), now to make fraud of [Wuhan pneumonia](#) that aims to publicize the wash-lung treatment to shown at [PCT does not exist!](#)

But it is useless. At once, on Jan., 28, 2020, I gave HKU president a letter from [www.ycec.com/HK/200128e.pdf](#) or bilingual turn to [.htm](#) can be clear, other an invention same anyone must to use and will millennium abiding of "[Lung-Airstreams Epidemic Prevention Law](#)" only if to use, any flu or today so-called [Wuhan pneumonia](#) must to isolate, wear masks & washing hands those low [IQ](#) of [prevention methods with WHO](#) can [immediately get away!](#)

The simple "[Lung-Airstreams Epidemic Prevention Law](#)" should not for my five big [inventions](#) and still [must to popularize](#) for worldwide by me was very ridiculous, [as follows:](#)

- First.** If a febrile patient of head cold, who only must by [left finger](#) to closing his [left nostril](#) after violently to inhaling to arrive at the bottom of [right lung](#) to inform the sensorium and again to vigorously to exhaust out of the [right nostril](#), and afterwards change by [right finger](#) to closing the [right nostril](#) as left finger to motion three time each that just to bring down a fever!
- Second.** If the inhale & exhaust that dynamics not enough as the aged or child, it is necessary to help by others to pat the left and right lungs let lung gas hole temporary can to expand that just favorable to run out the germs, if as the female or child it only need to pat the back ;
- Third.** If as for children who still don't know how to inhale and exhaust only can crawl all over that child, their parents or babysitters should always to hug by hand again by other hand to pat the back again light jump to tease, if the child still can to laugh more it [inevitable effectively yet!](#)
- Fourth.** However those who do not have a fever, especially in the spring and summer when the rain, temperature and humidity are infrequent or in the flu season, those who enter or leave the home include students or a large number of people such as assembly, [only need to inhale and exhale by both noses two times](#) also can [easily to throw away the top of the lungs for a short while enter those germs](#), and especially as the [staff of the hospital](#) is just need at 2-3 hours of once and into the habit, then the conventional by germs virus to infect will no edge [to discard the discard the epidemic mask!](#)

Just because germs enter the lungs only have virus infection as at [www.ycec.com/HK/160519e.pdf](#) a small experiment can to witness "[viruses](#)" not organisms can to breed in the body, so by this base to [boast](#) the "virus vaccines" can increase "antibodies" of past [medical scams](#) went bankrupt! 

Your consulates all civil servants are visible fact is, from the [www.ycec.com/HK/191004.pdf](#) by me to report a

case to police that must to arrest those six medical profession murderer go to court on Oct., 04, 2019, because their long-term conceal I saved SARS crisis of 2003 year that "**wash-lung**" and "**freezing**" two treatment only can to steal use for their friendly not open use for citizen, so up to now to butcher death toll of citizen already to exceed 300,000 person and can not to deny, but soon to be law enforcement of Commissioner of Police **Lu Weicong** at once to dismissed, so today's HK to **rule by law base already nothing to it!** 🇭🻜

But also from the recent **wireless TV** visible, as long as there is a common cold **fever** at **Hong Mei House** or the mall of **Maritime Square** to appear, so above **six medical profession killers** then immediately came to assume who already to "**confirmed diagnosis**" for a "**new virus**" infected after the whole building residents must to **isolate** that **lie absurd** means just ignore above that a section of the **small experiment** just can for the "**virus infection**" or to give HKU president letter in the last page of the square 🇭🻜 to roar: " ...you HKU that **Yuan Guoyong, Gabriel Leung** etc public health professor has no ability objections in writing? " !

That can't **deny** no "**virus**" only have "**germs**" **infection**, and in the atmosphere those **germs** species by thousands no one not to knows, **that is** any new species of **germs** caused have the "**new virus**" so much, but this group of murderers still can to control all medium platforms of HK to "**virus infection**" every day to trick the public no stop the mouth, and to killing people no stop the hand that overall crisis of HK is here! 🇭🻜

That is, if have the rule by law with human rights the notion in hand those consuls of various countries in HK have reached the bottom of human nature that **can no longer be silent!** 🇭🻜

Another as then **Lin Cheng** CE was reading my letter as shown above to HKU president that simple "**Lung-Airstreams Epidemic Prevention Law**" undoubtedly after at once to order all office holders cannot to wear mask on Feb., 04, 2020, but at once to threaten will to dismiss only to correct at www.ycec.com/HK/CarrieLam-hk.htm more clear, and after to hearing order must to seal off only to keep the **Shenzhen Bay port** by **quarantine order** on Feb., 08, 2020, and only an intention is if I was returning from Shenzhen go back HK that just can to force **quarantine after murder, so today that** resulting chaos hence come to... ; 🇭🻜

For more details, please visit www.ycec.com/HK/200213.pdf or transfer to 200213-hk.htm bilingual version, that is I just sent a fax letter to President **Trump, Trump** also reported **Wuhan pneumonia is fraud** on the Feb., 14, 2020 to correction: **never know the true and false!**

Now just from **Phoenix TV** seen in there have a reporter to **heckle** an epidemic prevention of China official to **point out**, if the fever to "**diagnose**" after to **isolate** who must to charge ¥200.- and profess **Gov., only to** allowance ¥50.-, not is contrarily to open **extort isolate person every day** ¥150.- for **closed-city** those prevention official left behind a goldmine already **lead them** still more to be befuddled by a craving for wealth?! 😊

Therefore, that already insane to visit any home to check their body temperature, if as a **slight cold fever who must** to "**confirmed diagnosis**" for a "**new virus**" and order separate **to aims for rob money!** And if not fever who also can by their mouth to scrape liquid that have not yet to swallow into stomach (**life normality**) that necessarily have some virus can to test also at once to "**confirmed diagnosis**" as a **dubious infector non-isolated can't** and as this cowardly means only for rob public wealth actually can to unimpeded throughout the country, so the **fake of Wuhan pneumonia** to lead today to **closure Beijing** that origin at here! 🇭🻜

And as above to the **Trump** letter **no one can deny** the fact that one, it from www.ycec.com/CN/temblor.htm can to see, by exaggerate the temblor-calamity of **Si Chuan** by **CP_China** in worldwide to **fraud** total nearly the **800 hundred million** of **HKD**, which is accordingly to cheat countries your money again to bribe your patent department can not to grant the patent of **PCT/SG03/00145** for me at www.ycec.net visible can't deny the fact of **evil shady-odd** means to repeat today **fraud of Wuhan pneumonia scam** and to vain hope countries to **donate** anti-epidemic materials with money **is coming** again! 😊

Therefore, Excellency all the more you ought to report and pass on your various government departments and academia see whether to today's the "**without a crown dynasty**" of CP China than "**Qing dynasty**" still more frightening and the real faces of individual groups? ! 🇭🻜

Because above the "**Lung-Airstreams Epidemic Prevention Law**" was very simple to include a child of three age to once teach will be good at and fundamentality need not WHO to test and verify only can to publicize! 🇭🻜

Therefore, please immediately inform **your country leaders** and each **health department**, as long as the "**Lung-Airstreams Epidemic Prevention Law**" can open make to know for all **Portuguese, they will never have a cold and fever in their lifetime**, and by **fever** to trigger any other lesions also close to zero! 🇭🻜

And including before in my www.ycec.sg/HK/161007e.pdf or www.ycec.com visible "**saturated brine**" the home hygiene simultaneous application, all **Portuguese** life expectancy will to **130 years old** is also easy, hospitals and clinic **also It will be greatly reduced!** 🇭🻜

Any **plague** and "**virus vaccine**" that **medical scams** including **WHO** this **trash** will go to hell forever, so

the **God** is also **waiting for** your country to be the first to **openly apply** that just for today the **world chaos** of "yellow calamity" **disaster** it immediately **return to normal** that only can write in history to make **Portuguese fame immortal forever!** 🇵🇹

And today, under the so-called "**One country Two systems**" that **chaos crisis of HK** also have a **turning point**, so I would like to requests have **never to hesitate to do what is right** of consul general you already can to order **your** staff no longer to wear mask with diligent wash hands again to be fooled, and still must to tell other countries leader don't as the HK with **China Gov.**, to separate public be stupid, still more humanity lose and again to sit on top of the mountain to watch the tigers fight, **the very bad disaster of Chinese nation only can to lift!** 🇵🇹

Just because my time **is very limited** and is temporarily unable to return to HK, but your **consulate staff have excellent mastery of** the Chinese and English language. If need, please let them to translate and download above related auxiliary parts, or have any questions can be sent to ycec_lzm@yahoo.com.hk or fax to **852-3007-8352** to me!

This letter only three pages, available later at www.ycec.com/911/200226-pt-e.pdf turn to **.net** or **.sg** can be downloaded to read more!

Thank you!

Respectfully yours

**PCT/SG03/00145 &
03750011_3/EPO inventor**
