

Ebola same American West Nile Virus, all the bereaved can to claims WHO & Obama!

lzm/07.8.2014 in Hong Kong

— . To conceal medicine invent that ill effects reappear

In the news, the **Ebola** outbreak that caused deaths at West African State is getting out of control. The present situation is very dire!

The **Ebola** epidemic is similar to **the American West Nile Virus** and **SARS**. Therefore I must request diplomatic personnel of every country to urge their leaders using lifesaving as the basis and carefully read my open letter [《The bereaved of American West Nile Virus can to action for claims too!》](#) on Oct. 12, 2012 that was faxed to every countries' consulate in Hong Kong again. It can be viewed at my website: www.ycec.com/UN/120617/witness-history.htm

二 . Mankind highest public enemy even death cannot atone for the offense

Why WHO cannot provide any treatment for **Ebola** when facing the critical situation of **Ebola** epidemic thus leading to the massive death toll?

In my open letter [《The bereaved of American West Nile Virus can to action for claims too!》](#), I was clearly and undoubtedly illustrate in this world the aetiology of flu death only “germs-infect” and not “**virus-infect**” that mast to admit by **WHO**, so I had further pointed out in the open letter below:

“ However this is very foolish as WHO and US CDC will not be able examine the blood samples of West Nile Virus or any flu patients out of the body to prove the Virus Theory that the flu virus is a self cloning virus so as to raising the virus concentration and to support the rationality of “flu shot”!

From the **Ebola** data announced by **WHO**, it is same as **American West Nile Virus** or any type **flu-Virus** and it is not in body “able to self-replicate” thus leading to death, the genuine cause of death is in the foregoing my open letter, below :

“ Then invalid aged or children that detoxify function of liver did not to complete to filter the virus, after the imbalance of cranial nerve a consequence in first that is his/her lung capacity with kinetic energy of lung will be to descend immediately, a consequence is the lobe of the lung to drive out in air those germs of drift that vitality will be descend too! The appearance of things as an ordinary person can fortuitous to “catch a chill” so “head cold” and to assist the germs reproducing in lung to create environment, if the germs do not to kill in the first, the Virus of reproducing germs will be unceasing to deepen those West Nile Virus patient unwell until death, so it can to a name is “double infect”. ”

That is to say, regardless of announcement made by WHO and US CDC or the subject of [《TRANSCRIPTION AND REPLICATION OF THE VIRAL GENOME》](#) derive from textbook of [YALE JOURNAL OF BIOLOGY AND MEDICINE 82 \(2009\)](#), pp.155. Copyright © 2009, but, the textbook was to admit by self : “... , although the full mechanism of viral genome replication is still yet to be understood.”, so it goes without saying that, the replication of viral genome in today's science still to have scanty knowledge now! 🖱️ It was very clear, **if the viral**

genome can not to replication by self, then, for this basis the flu-bacterin or it can to cure **Ebola** virus by “**Zmapp**”that falsehood from Obama it will to be extremely embarrassed! *

In such a manner, how to confirm the 「Viral Genome failed to Transcription and Replication」? In fact it was very simple, except above the virus pass through 「**out of the body to prove**」, below a small experiment will break the theory of 《TRANSCRIPTION AND REPLICATION OF THE VIRAL GENOME》, and the flu-bacteria theory will be throw away in a historical garbage bin perpetually :

Any a small hospital could be to draw small **blood samples** of **Ebola, American West Nile Virus** or any type **flu-Virus** from a patient and change the host of **Virus** to inject a some blood type in to a body of a healthy person to test the **Virus** concentration leading to rise in the body temperature?

Above small experiment is my invent basis of [PCT/SG2003/00145](#), that is to say, in our this world only the propagate of “**germs-infect**” that have not the “**virus-infect**”! Moreover, in the invent that “**wash lung**” treatment is the only one can to break off “**germs-infect**” include today’s **Ebola** with any type **flu-Virus only one** in effect medical means, but, for avoid damage of the lung or other organ that have not alike degree damage, so all the infect patient must before the body temperature not exceed 39 into our “**wash lung**” room!

But, why WHO do not to show any effective medical means or a drug only quibble have not **Ebola** bacterin? And why US CDC only can to airlift infect **Ebola-Virus** that three medical personnel go back America? Because:

1. WHO high-profile leaders know and clear that my invent of [PCT/SG2003/00145](#), but still will to under orders to conceal;
2. US CDC same the China Government in designate hospital to tort use my invent of “wash lung” treatment secretly.
3. I had a open letter of 《**Historical civilization backslide was startling, why WHO’s Dr Margaret Chan could be to succeed onself?**》 that was publish on June 17, 2012, the website at [www.ycec.com/UN/120617.pdf](#). Why today’s WHO it may be fall low a gangster inn of against mankind civilization? The cause and effect was to be known to all;

Above facts show that conceal my medicine invention that a evil powers in the dark already pass through the great bribe to control international society and UN organization particularly the WHO! Therefore, I cannot help but hereby again to state clearly to any country leader, if the “wash lung” invention treatment is to carry out in any hospital it will reduce deaths rates, especially old people as a result your average national life expectancy will increase 10years.

A exceed solemn humanity values and history duty of man civilization at this point to state clearly in front of any country leader again! There is justice in this world , merciful Buddha !

Now, because of concealing above the medicine invention for exceeding 11 years, all the guiltless death life already countless, so any consulate in Hong Kong have a intuitive ability to know right or wrong and duty download at [www.ycec.com/UN/130915.pdf](#) to pass on your country leaders with Ministry of Public Health again detailed read! The Email subject matter was to extensively deliver to American all circles, but President Obama still not to know repent and be saved and still to abuse one's authority to hold back the USA Patent Office and Public Health department cannot admit with extensively use my “**wash lung**” treatment and further to lead not clear west nation to assist conceal this medicine invention to personal benefits as [China’s report!](#)

With reference to the above, lifesaving could be countless medicine invention. This is a war of civilization with evil and it could be lead to the third world war! This deserves to be mentioned, as Thailand is charity Buddhism country, the lifesaving for the first principles, but for prevent from Thailand it grants me the invention patent, but the China's vicious power that not *Xi Jin-Ping* of incumbent chairman to employ the loophole of electoral law and limitless to support the ex-Prime Minister *Thaksin* at Hong Kong to direct *Thailand Red Army* to turmoil near 10years, now the military coup d'etat was to be forced to, so EU nation that punish on June 23, 2014 that must be to remove and not get to employ! Hence, EU nation same must to use the "wash lung" invention treatment!

Why did Mr. *Jiang Ze-Man*, China ex-Chairman used vicious power to conceal the "wash lung" treatment and plot to attack inventor repeatedly? Due to lack of time, there is no English version of the document, thus every countries' consulate in Hong Kong please read and translate for your leaders and Public Health department, the website at www.ycec.com/UN/130515-hk.pdf and the murder issue is at www.ycec.com/Jzm/murder.htm.

About the terror-raid, I had taken the videotape to report a case, but HK Police reject to investigate and very clear to told me because my company had to indictment for Mr. *Jiang Ze-Man* in china ago! Link the www.ycec.com/Jzm-hk.htm ; So I have no choice to letter requisition *Xi Jin-Ping* must order to protect my safe and I in here to request any country consulate must to follow with interest the human rights of Hong Kong!

In just the TV news, *Obama was* to profess that not arrangement new experiment drug supply for the *Ebola* patient of West African States, because just transport by air to go back USA the three medical personnel only can in secret to use my invention of "wash lung" treatment to have no choice! *Obama* was tort, abuse of right and to kill at random life become a public enemy of mankind in here to confirm again!

Therefore, all the medium, leaders of any country and in particular the West African States cannot again to trust in *Obama's* falsehood to **kill your** countrymen!

≡ . Prosecution WHO's Dr Margaret Chan and Obama already inevitable !

The above-mentioned fact to shown, President *Obama* and WHO's *Dr Margaret Chan* that to abuse their authorities to touch is a crime against mankind civilization, because their conceal that act in concert already to lead worldwide that innocent death toll exceed the second world war ! Therefore, President *Obama* and WHO's *Dr Margaret Chan* must be part of indictment at International Court of Justice or American court, the cause of action is below:

A. About cause of action of WHO's Dr Margaret Chan :

1. Because the "Viral Genome" can not to "Transcription and Replication" it could be to confirm easily, so the old theory of "Viral-Propagate" bankruptcy at once and to replace somebody that "Germs" is only the true origin of "Viral-Infect", in the same way, the old medicine theory of "Flu-Bacterin" it could be to tenable now! Therefore, the WHO painstakingly in medicine scope to conceal the medicine invention theory of [PCT/SG2003/00145](#) was to verify easily, so the evil consequence of against mankind crime was very clear, below:
 - a. Because the "Germs-Infect" with "Viral-Infect" have not alike precautionary measures, but WHO's *Dr Margaret Chan* still wrongfully to guide every country and to add death;

- b. The textbook that theory of “Viral-Infect” still to deceive all medical student;
 - c. WHO have not stint to popularize Flu-Bacterin of harmful and useless to injure embryo of expectant mother, children and old person;
 - d. For painstakingly concealing medicine invention, WHO still deceive every country to research or buy Flu-Bacterin to squander resources;
2. Then WHO’s Dr *Margaret Chan* already to take Director at Department of Health of Hong Kong on 2003year that SARS phase, she was a primacy director use the “wash lung” treatment of [PCT/SG2003/00145](#) to drive out calamity of SARS, therefore, WHO’s Dr *Margaret Chan* must to be responsible for below evil consequence because her painstakingly conceal:
- a. All the head cold or flu of young child, if after the body temperature to surpass 39 still did not use the “wash lung” treatment, the child’s nervous system of brains that inevitable to suffer injuries to lead to lowering intelligence or death;
 - b. If as the phthisis patient still did not use the “wash lung” treatment, but their suffering of body and mind with expensive expenses unworthy;
 - c. Aged people because acute pneumonia that deaths rate it had 90% in statistics, if their still did not use the “wash lung” treatment, any country or region that an average age unable to enhance;
 - d. All miner, smoker, worker in poor air pollution industry etc. that include fog-haze serious regional any people they must to set appointment to “wash lung”, if not, their life-span will be shorten;

Above the cause of actions to act as the basis theory of law to bring a case to court claims for **WHO’s Dr Margaret Chan**, if you are a lawyer, you have a duty to serve justice, I am willing to be prosecute also for her mistake and wrong doing, if you have any a question or have not enough, please contact me.

B. About cause of action of President *Obama*:

1. As a result of medicine inventor of [PCT/SG2003/00145](#) and also the applicant of US patent office that application number is [10/469,063](#). Then applicant was to send three letters pass through consulate of USA by facsimile forward to President Obama part on [Mar.31, 2009](#), [Apr.30,2009](#) and [Sep.21,2009](#), and other two letters pass through by email on [May. 21, 2008](#) and [Nov.14, 2009](#). Therefore, President Obama was very clear medicine inventor of [10/469,063](#) that “wash lung” treatment use to lifesaving for American was very inalienable **and** to know perfectly well that “Viral Genome” can not to “**Transcription and Replication**”! But it was to unexpected, after President Obama visit China go away on Nov. 18, 2009, President Obama was too impatient to wait to appear at TV for American to show the “**flu shot**” on Dec. 21, 2009? **Because, the “flu shot” with “wash lung” treatment both that do not to coexist!** The picture of the “**flu shot**” by **Obama** that was an irrefutable evidence in here, why President Obama could be disregard inventor’s warning of above letters and **disregard American life to need urgently!** Therefore, **President Obama** must to confess for court he whether to received from [China’s great bribe](#) same the Neil Bush will to join the **Communist Party** for conceal medicine inventor of [10/469,063](#)?

Whether of not, **Obama** have abuse his authority to **prevent** USA patent office from granting patent of [10/469,063](#) and US CDC to renounce the “**flu shot**” that great suspicion, so Obama must to be responsible for below evil consequence because his painstakingly conceal:

- a. Because the “Germs-Infect” with “Viral-Infect” have not alike precautionary measures, but Obama to commit a crime still wrongfully to guide American and to add death;
- b. The textbook that theory of “Viral-Infect” still to deceive all American medical student;
- c. Obama have not stint to popularize Flu-Bacterin of harmful and useless to injure embryo of expectant mother, children and old person;
- d. For painstakingly to conceal medicine invention, Obama still deceive US CDC or other health department to research or buy Flu-Bacterin to squander resources;

Above the cause of action to act as the basis theory of law to bring a case to court claims to President Obama, if you are a lawyer you have a duty to serve justice, I was also willing to authorize prosecution the mistake that he has done, if you have any a question or have not enough, please contact me at:
