Respectable
Saudi Arabia Crown Prince
Mr. Nayif ibn Abdulaziz

Dear Sir;

I, **Lin Zhen Ma** am the inventor of PCT/SG2003/00145. The Singapore IC Card No. S2665604D, or Hong Kong IC Card No. is D188015(3).

On the June 17, 2012, I announced an open letter of 《Historical civilization backslide was startling, why WHO's Dr *Margaret Chan* could be to succeed on self ? 》, the open letter also fax to Your Excellency by consulate of your country in Hong Kong and display at www.ycec.com/UN/120617/witness-history.htm to witness this notorious history.

Under the international news, the Ebola's death toll **already** exceed 5000 person and to go a step further bring the word's panic especially at America ! Now, please detailed read the ultimatum letter of attachments document or download at: www.ycec.com/UN/141027.pdf, Your Excellency will clear that to kill the 5000 person not the Ebola, the true murderer namely the WHO's Director-General Dr Margaret Chan!

Now, G-20 Summit meeting at Australia to convene that can not as if nothing had happened again to laissez-faire the WHO again to kill without spilling blood! Especially , it will be to explain is :

WHO conceal above the “wash lung” treatment of [PCT/SG2003/00145](http://www.ycec.com/UN/120617/witness-history.htm) that wrongdoings it far more than the Ebola or American West Nile Virus patient, by WHO self to admit the worldwide death toll of phthisis is 150 ten thousand, the wrongdoings still must to include all death toll of the old men of peracute pneumonia that almost to be equal to **80-90%** death rate of your country!

Therefore, in your country's any hospital must have “wash lung” room and open use to lifesaving for your national that only can to avoid if the bereaved clear truth after, because they will probably to claims with prosecution for Your Excellency!

In the next place, build the “wash lung” room? You could easy to visit my www.ycec.net website with admit patent from PCT/SG2003/00145 in your country !

Lastly, I wish to congratulate this G20 Summit meeting at Australia should be success come to perfection.

Thank you!

Yours faithfully,

Lin Zhen Man

I, **Lin Zhen Ma** am well-known inventor PCT/SG2003/00145 in PCT by you. The Singapore IC Card No. S2665604D, or Hong Kong IC Card No. is D188015(3).

Under WHO's notification data received on **Aug. 06, 2014**, **Ebola** outbreak only claimed 932 lives, but this is already great high at the SARS's death toll at Hong Kong with China on 2003 years, so I urgently need to publish an open letter and the subject 《Ebola same American West Nile Virus, all the bereaved can to claims WHO & Obama!》 on **Aug. 07, 2014** and to be on show in my website at: www.ycec.com/UN/140807.pdf or **Chinese** www.ycec.com/UN/140807-hk.pdf, **now to** follow this letter is the Attachment 1. for you.

Under above the fact of open letter, I again to exposing in you illicit to handle all the WHO system again to conceal above the invention of **PCT/SG2003/00145** that was a most important discover of medicine with invention of “**wash lung**” treatment in this century to ignore the Ebola patients already a field littered with corpses at West African State! But you only can to promptly convene WHO's news to proclaim Aug. 08, 2014 is an international assistance day for Ebola !

Purposed to give the green light for CP China immediately dispatch treatment group to West African States to **sneaking** use my “**wash lung**” treatment for **Ebola** patients and send out by two special planes on Aug. 10, 2014! You were very **naive** to wrong think thus may be to less your crime..., so I had added subject matter by Email display at www.ycec.com/UN/141006.pdf or Attachment 2. send to every Country Gov., with medium include WHO's subordinate etc., but you still not to know **stopped butcher Ebola patient** lead to today's death toll it was add to near the 5,000 person!

Now, notwithstanding you could to ignore above two Attachment document that my condemn and to look at the life not a matter. You are a **Director-General of WHO**, if you to know perfectly well that only one can to save life of SARS or Ebola patient the “**wash lung**” **PCT/SG2003/00145** that already to bulletin by PCT on 2003year, if you have not skills to deny the medicine ethics in my invention, you must first to shoulder direct duty for 5,000 Ebola patient life and after the stretch that all guiltless life become a **super murderer** and **human public enemy** in the full light of public notice!  My medical invention of **PCT/SG2003/00145** that main points of medicine ethics are below:

1. The “Virus” it can to infect flu is a wrong to discuss and judge by before medicine circles, because **the** viral genome can not to replication by self absolutely, so the “Virus” was not a life and very easy to test by any hospital, therefore, the “**flu shot**” was **harmful with** useless it must to throw away!
2. Because in place of “Virus infect” is from air that “bacterial infection” it was a **most important** discover of medicine in this century, therefore, the most effective treat method is use the “**wash lung**” treatment of **PCT/SG2003/00145** invention to clean away “bacterial infection” in the lung, besides it will not any effective drug could be to replacement.

As you are a **Director-General in WHO**, if you do not to overrule above two medicine ethics, then you must:

- a. to preside at recommend to lie by President Obama that ZMapp to West African States;
- b. to preside at accept the bacterin of VSV-EBO lie by Ministry of Public Health of Canada and WHO your prediction the “Ebola bacterin” will use in 2015 year to deceive the worldwide public to continue to kill without spilling blood.

If you not to overrule above two medicine ethics, at your mainpage in WHO website that, I discover that you self-praise you “ successfully defeated the spate of severe acute respiratory syndrome (SARS) in Hong Kong in 2003 ” thus unblushing, because you only can to encroach on SARS patient’s know power and stealthily use “**wash lung**” treatment of PCT/SG2003/00145 only can to successfully defeated SARS in Hong Kong in 2003 that a face witness was establish, therefore, I restrict you must to delete in three days!

If you do not to overrule above two medicine ethics and the “**wash lung**” treatment of PCT/SG2003/00145 that application value it can to extensively lifesaving for include SARS, Ebola or any type flu, phthisis with pneumonia of aged people ect. If have any to be about to die of an illness that patient have not the “**wash lung**” treatment to save somebody's life, all the bereaved have power to claims for you! Because international law has clear to regulations, so you have no right to deprive of their fundamental right to seek to live on;

If you do not to overrule above two medicine ethics and again refuse after you receive my this letter before 14 days to recommend “**wash lung**” treatment of PCT/SG2003/00145 that application for any country Ministry of Public Health and response for me in writing, you commit to the crime is the 「 Crimes Against Humanity 」 of 《Rome Statute of International Criminal Court》 it will be to set up, I will to authorize interrelated lawyer to bring a case in International Criminal Court, you must to shoulder all counsel fee and you will to declare sb. Guilty become throughout history a most dishonorable a public enemy in mankind society and involve your coming generations!

On the side, please to be sure to keep in mind, you already have not any fallback position can to get away **your duty** in this evil history of mankind world to conceal medicine invention to commit innumerable murders, if you still have the intuitive ability to know right or wrong and **plan to leave some leeway for your** descendants that live space, I hope you must have the courage and to aid of now the WHO stage face all international medium bulletin the apply value of above medicine invention unexpectedly and resignation at once!

This letter will be facsimile to today’s Director of Health of Hong Kong , department of WHO or the United Nations turn fax to you and by a registered letter send out by HK post office!

Ebola same American West Nile Virus, all the bereaved can to claims WHO & Obama!

lzm/07.8.2014 in Hong Kong

— . To conceal medicine invent that ill effects reappear

In the news, the **Ebola** outbreak that caused deaths at West African State is getting out of control. The present situation is very dire!

The **Ebola** epidemic is similar to the **American West Nile Virus** and **SARS**. Therefore I must request diplomatic personnel of every country to urge their leaders using lifesaving as the basis and carefully read my open letter [《The bereaved of American West Nile Virus can to action for claims too!》](#) on Oct. 12, 2012 that was faxed to every countries' consulate in Hong Kong again. It can be viewed at my website: www.ycec.com/UN/120617/witness-history.htm

二 . Mankind highest public enemy even death cannot atone for the offense

Why WHO cannot provide any treatment for **Ebola** when facing the critical situation of **Ebola** epidemic thus leading to the massive death toll?

In my open letter [《The bereaved of American West Nile Virus can to action for claims too!》](#), I was clearly and undoubtedly illustrate in this world the aetiology of flu death only “germs-infect” and not “**virus-infect**” that mast to admit by **WHO**, so I had further pointed out in the open letter below:

“ However this is very foolish as WHO and US CDC will not be able examine the blood samples of West Nile Virus or any flu patients out of the body to prove the Virus Theory that the flu virus is a self cloning virus so as to raising the virus concentration and to support the rationality of “flu shot”!

From the **Ebola** data announced by **WHO**, it is same as **American West Nile Virus** or any type **flu-Virus** and it is not in body “able to self-replicate” thus leading to death, the genuine cause of death is in the foregoing my open letter, below :

“ Then invalid aged or children that detoxify function of liver did not to complete to filter the virus, after the imbalance of cranial nerve a consequence in first that is his/her lung capacity with kinetic energy of lung will be to descend immediately, a consequence is the lobe of the lung to drive out in air those germs of drift that vitality will be descend too! The appearance of things as an ordinary person can fortuitous to “catch a chill” so “head cold” and to assist the germs reproducing in lung to create environment, if the germs do not to kill in the first, the Virus of reproducing germs will be unceasing to deepen those West Nile Virus patient unwell until death, so it can to a name is “double infect”. ”

That is to say, regardless of announcement made by WHO and US CDC or the subject of [《TRANSCRIPTION AND REPLICATION OF THE VIRAL GENOME》](#) derive from textbook of [YALE JOURNAL OF BIOLOGY AND MEDICINE 82 \(2009\)](#), pp.155. Copyright © 2009, but, the textbook was to admit by self “... , although the full mechanism of viral genome replication is still yet to be understood.”, so it goes without saying that, the replication of viral genome in today's science still to have scanty knowledge now! 🖐️ It was very clear, **if the** viral genome can not to replication by self, then, for this basis the flu-bacterin or it can to cure **Ebola** virus by “**Zmapp**” that falsehood from Obama it will to be extremely embarrassed! *

In such a manner, how to confirm the 「Viral Genome failed to Transcription and Replication」? In fact it was very simple, except above the virus pass through 「[out of the body to prove](#)」, below a [small](#) experiment will break the theory of 《TRANSCRIPTION AND REPLICATION OF THE VIRAL GENOME》, and the flu-bacteria theory will be throw away in a historical garbage bin perpetually :

Any a small hospital could be to draw small [blood samples](#) of **Ebola, American West Nile Virus** or any type **flu-Virus** from a patient and change **the** host of **Virus** to inject a some blood type in to a body of a healthy person to test the **Virus** concentration leading to rise in the body temperature?

Above small experiment is my invent basis of [PCT/SG2003/00145](#), that is to say, in our this world only the propagate of “[germs-infect](#)” that have not the “[virus-infect](#)”! Moreover, in the invent that “[wash lung](#)” treatment is the only one can to break off “[germs-infect](#)” include today’s **Ebola** with any type **flu-Virus** **only one** in effect medical means, but, for avoid damage of the lung or other organ that have not alike degree damage, so all the infect patient must before the body temperature not exceed 39 into our “[wash lung](#)” room!

But, why WHO do not to show any effective medical means or a drug only quibble have not **Ebola** bacterin? And why US CDC only can to airlift infect **Ebola-Virus** that three medical personnel go back America? Because:

1. WHO high-profile leaders know and clear that my invent of [PCT/SG2003/00145](#), but still will to under orders to conceal;
2. US CDC same the China Government in designate hospital to tort use my invent of “[wash lung](#)” treatment secretly.
3. I had a open letter of 《[Historical civilization backslide was startling, why WHO’s Dr Margaret Chan could be to succeed onself?](#)》 that was publish on June 17, 2012, the website at [www.ycec.com/UN/120617.pdf](#). Why today’s WHO it may be fall low a gangster inn of against mankind civilization? The cause and effect was to be known to all;

Above facts show that conceal my medicine invention that a evil powers in the dark already pass through the great bribe to control international society and UN organization particularly the WHO! Therefore, I cannot help but hereby again to state clearly to any country leader, if the “[wash lung](#)” invention treatment is to carry out in any hospital it will reduce deaths rates, especially old people as a result your average national life expectancy will increase 10years.

A exceed solemn humanity values and history duty of man civilization at this point to state clearly in front of any country leader again! There is justice in this world , merciful Buddha !

Now, because of concealing above the medicine invention for exceeding 11 years, all the guiltless death life already countless, so any consulate in Hong Kong have a intuitive ability to know right or wrong and duty download at [www.ycec.com/UN/130915.pdf](#) to pass on your country leaders with Ministry of Public Health again detailed read! The Email subject matter was to extensively deliver to American all circles, but President Obama still not to know repent and be saved and still to abuse one's authority to hold back the USA Patent Office and Public Health department cannot admit with extensively use my “[wash lung](#)” treatment and further to lead not clear west nation to assist conceal this medicine invention to personal benefits as [China’s report](#)!

With reference to the above, lifesaving could be countless medicine invention. This is a war of civilization with evil and it could be lead to the third world war! This deserves to be mentioned, as Thailand is charity Buddhism country, the lifesaving for the first principles, but for prevent from Thailand it grants me the invention patent, but the China’s vicious power that not [Xi Jin-Ping](#) of

incumbent chairman to employ the loophole of electoral law and limitless to support the ex-Prime Minister *Thaksin* at Hong Kong to direct *Thailand Red Army* to turmoil near 10years, now the military coup d'etat was to be forced to, so EU nation that punish on June 23, 2014 that must be to remove and not get to employ! Hence, EU nation same must to use the “wash lung” invention treatment!

Why did Mr. *Jiang Ze-Man*, China ex-Chairman used vicious power to conceal the “wash lung” treatment and plot to attack inventor repeatedly? Due to lack of time, there is no English version of the document, thus every countries’ consulate in Hong Kong please read and translate for your leaders and Public Health department, the website at www.ycec.com/UN/130515-hk.pdf and the murder issue is at www.ycec.com/Jzm/murder.htm.

About the terror-raid, I had taken the videotape to report a case, but HK Police reject to investigate and very clear to told me because my company had to indictment for Mr. *Jiang Ze-Man* in china ago! Link the www.ycec.com/Jzm-hk.htm ; So I have no choice to letter requisition *Xi Jin-Ping* must order to protect my safe and I in here to request any country consulate must to follow with interest the human rights of Hong Kong!

In just the TV news, *Obama was* to profess that not arrangement new experiment drug supply for the *Ebola* patient of West African States, because just transport by air to go back USA the three medical personnel only can in secret to use my invention of “wash lung” treatment to have no choice! *Obama* was tort, abuse of right and to kill at random life become a public enemy of mankind in here to confirm again!

Therefore, all the medium, leaders of any country and in particular the West African States cannot again to trust in *Obama’s* falsehood to **kill your** countrymen!

≡ . Prosecution WHO’s Dr Margaret Chan and Obama already inevitable !

The above-mentioned fact to shown, President *Obama* and WHO’s *Dr Margaret Chan* that to abuse their authorities to touch is a crime against mankind civilization, because their conceal that act in concert already to lead worldwide that innocent death toll exceed the second world war ! Therefore, President *Obama* and WHO’s *Dr Margaret Chan* must be part of indictment at International Court of Justice or American court, the cause of action is below:

A. About cause of action of WHO’s Dr Margaret Chan :

1. Because the “Viral Genome” can not to “Transcription and Replication” it could be to confirm easily, so the old theory of “Viral-Propagate” bankruptcy at once and to replace somebody that “Germs” is only the true origin of “Viral-Infect”, in the same way, the old medicine theory of “Flu-Bacterin” it could be to tenable now! Therefore, the WHO painstakingly in medicine scope to conceal the medicine invention theory of [PCT/SG2003/00145](http://www.ycec.com/PCT/SG2003/00145) was to verify easily, so the evil consequence of against mankind crime was very clear, below:
 - a. Because the “Germs-Infect” with “Viral-Infect” have not alike precautionary measures, but WHO’s *Dr Margaret Chan* still wrongfully to guide every country and to add death;
 - b. The textbook that theory of “Viral-Infect” still to deceive all medical student;
 - c. WHO have not stint to popularize Flu-Bacterin of harmful and useless to injure embryo of expectant mother, children and old person;
 - d. For painstakingly concealing medicine invention, WHO still deceive every country to research or buy Flu-Bacterin to squander resources;

2. Then WHO's Dr *Margaret Chan* already to take Director at Department of Health of Hong Kong on 2003 year that SARS phase, she was a primacy director use the "wash lung" treatment of [PCT/SG2003/00145](#) to drive out calamity of SARS, therefore, WHO's Dr *Margaret Chan* must to be responsible for below evil consequence because her painstakingly conceal:
 - a. All the head cold or flu of young child, if after the body temperature to surpass 39 still did not use the "wash lung" treatment, the child's nervous system of brains that inevitable to suffer injuries to lead to lowering intelligence or death;
 - b. If as the phthisis patient still did not use the "wash lung" treatment, but their suffering of body and mind with expensive expenses unworthy;
 - c. Aged people because acute pneumonia that deaths rate it had 90% in statistics, if their still did not use the "wash lung" treatment, any country or region that an average age unable to enhance;
 - d. All miner, smoker, worker in poor air pollution industry etc. that include fog-haze serious regional any people they must to set appointment to "wash lung", if not, their life-span will be shorten;

Above the cause of actions to act as the basis theory of law to bring a case to court claims for **WHO's Dr *Margaret Chan***, if you are a lawyer, you have a duty to serve justice, I am willing to be prosecute also for her mistake and wrong doing, if you have any a question or have not enough, please contact me.

B. About cause of action of President *Obama*:

1. As a result of medicine inventor of [PCT/SG2003/00145](#) and also the applicant of US patent office that application number is [10/469,063](#). Then applicant was to send three letters pass through consulate of USA by facsimile forward to President Obama part on [Mar.31, 2009](#), [Apr.30,2009](#) and [Sep.21,2009](#), and other two letters pass through by email on [May. 21, 2008](#) and [Nov.14, 2009](#). Therefore, President Obama was very clear medicine inventor of [10/469,063](#) that "wash lung" treatment use to lifesaving for American was very inalienable **and** to know perfectly well that "Viral Genome" can not to "**Transcription and Replication**"! But it was to unexpected, after President Obama visit China go away on Nov. 18, 2009, President Obama was too impatient to wait to appear at TV for American to show the "**flu shot**" on Dec. 21, 2009? **Because, the "flu shot" with "wash lung" treatment both that do not to coexist!** The picture of the "**flu shot**" by **Obama** that was an irrefutable evidence in here, why President Obama could be disregard inventor's warning of above letters and **disregard American life to need urgently!** Therefore, **President Obama** must to confess for court he whether to received from [China's great bribe](#) same the Neil Bush will to join the **Communist Party** for conceal medicine inventor of [10/469,063](#)?

Whether of not, **Obama** have abuse his authority to **prevent** USA patent office from granting patent of [10/469,063](#) and US CDC to renounce the "**flu shot**" that great suspicion, so **Obama** must to be responsible for below evil consequence because his painstakingly conceal:

- a. Because the "Germs-Infect" with "Viral-Infect" have not alike precautionary measures, but Obama to commit a crime still wrongfully to guide American and to add death;
- b. The textbook that theory of "Viral-Infect" still to deceive all American medical student;

- c. Obama have not stint to popularize Flu-Bacterin of harmful and useless to injure embryo of expectant mother, children and old person;
- d. For painstakingly to conceal medicine invention, Obama still deceive US CDC or other health department to research or buy Flu-Bacterin to squander resources;

Above the cause of action to act as the basis theory of law to bring a case to court claims to President Obama, if you are a lawyer you have a duty to serve justice, I was also willing to authorize prosecution the mistake that he has done, if you have any a question or have not enough, please contact me at:

Dear
 Sir or Madam:

Today's **Ebola** to kill life already exceed 3000, but the outbreak is similar to **the American West Nile Virus** and **SARS** in HK, TW, China or Canada on 2003year, **they** belong to bacterial infection group and not the virus infection group which is wrongly classified by medicine society. If they do not provide "**wash lung**" treatment of PCT/SG2003/00145 invention to clean away in the lung's germs, the situation can become dire!

The saddest is the **Nobel** afraid to witness this invention that as to urge WHO's fiend **Dr Margaret Chan** to butcher more West African! Therefore, prosecution **Dr Margaret Chan** at International Court of Justice too impatient and cannot to wait! 🇺🇸

About the "**wash lung**" treatment that how to **put in use** and the introduction of **PFCO** pharmacy machine it is thus clear that at another my website: www.ycec.net

But the more deplorable is that the above mentioned invention was concealed through bribing ex-President **Bush** and President **Obama** by CP China. The details can be viewed at www.ycec.com/UN/130915.pdf; They secretly use the invention in hospitals of China, Hong Kong, Taiwan and Canada to wipe out the SARS outbreak. So all the country of Third World and all medical personnel knew nothing at all! 🇺🇸 Therefore, the bestial acts of concealing medicine invention that in today's **Ebola** outbreak led to over two hundred medical personnel of UN death!

In the TV news, because the two medical personnel of **Ebola** transport by air to go back USA as Dr. Margaret Chan, chief of WHO or ex-Director of Health at Hong Kong she must have secretly used above mentioned "**wash lung**" treatment to cure SARS patient it have not other choice! Therefore, President **Obama** immediately lied that they used a new **ZMapp** drug in fear of to make a speculations in West African States further, so President **Obama** lied again, he said, the **ZMapp** is a new drug **still under experimenting and there is limited** stock, so they could not arrange for medicine supply for the **Ebola** patient of West African States on Aug. 07, 2014.

Obama's ability to lie is out of the ordinary! Therefore, I have [an open letter](#) of in draft it must urgent to finish with send out on Aug. 07, 2014 and follow at this email to you, please earnestly read!

Besides, because the above [open letter's](#) unmask was everything is clear and send out after eight hours, so **WHO's Dr Margaret Chan** promptly convene WHO's news to proclaim Aug. 08, 2014 is an international assistance day for **Ebola** !

That purpose to give the green light for CP China immediately dispatch treatment group to West African States sneaking treatment for **Ebola** patients and send out by two special planes on Aug. 10, 2014! Because today's Dr. Margaret Chan, she is a sneaking expert of using "**wash lung**" treatment for SARS patient in HK on 2003year and expose by Dr. Zhong, the ex-Dean of college of Medicine in Hong Kong to witness in Legislative Council of HK! Other details could be to see the www.ycec.com/UN/090516-eto-WHO.mht!

If you are a media reporter, please to inform all the **Ebola** patients to go to treatment camping ground of China and queue up for "**wash lung**" that can save their lives! 🇺🇸

Because **Obama's** lie was exposed by the above mentioned [open letter](#), to avoid awkward questioning from media, President **Obama** immediately announced that he will be on holiday two weeks after Aug. 10, 2014. At the after that, **WHO's Dr Margaret Chan** committed a crime the **ZMapp** drug to no avail and false still to approve use three doctors of **Ebola** patients of **Liberia** to use, so the information minister of **Liberia** was to told **the one** of three **Ebola** patients to death! Therefore, **Obama** and **WHO's Dr Margaret Chan** cooperated to feign the case was further exposed!

Above mentioned case of killing without spilling blood was to show world media, but, 🇺🇸 **Obama** with **WHO's Dr Margaret Chan** not only still to **butcher life** and not to know to turn one's head **also to order** US CDC supply \$42,300,000.- US Dollar for **Mapp** Company to so-called "research expenses" on [Sep.02, 2014](#), it is same as bribe using public fund and there are no difference! 🇺🇸 The two **fiends** or maximum **terrorist** of mankind society in the act of thus part to occupy WHO and the White House now!

Please regard lifesaving as your primary principles and to interrogate the WHO and **Obama** together with me!

On the side, **because, the “flu shot” with “wash lung” treatment both that do not to coexist!** If the “wash lung” invention treatment is to **public in your any hospital** it will reduce deaths rates, especially old people as a result your average national life expectancy will increase 10years.

Now, the **Ebola** crisis to expand further, **WHO’s Dr Margaret Chan** with **Obama** both not only undisguised to challenge the public law and also to kill without blinking an eye ! Why? If you are a rightful lawyer with to have public morals,  please help me to prosecute them at International Court of Justice and I will to authorize!

Above mentioned open letters at: www.ycec.com/UN/140807.pdf and the email at: www.ycec.com/UN/140906.pdf

Therefore, the **House of Representatives** of American before the empower prosecution **Obama** that must be as quickly as possible and must include **Obama’s** throw one's weight about to hold back US patent office grant patent of **application No. 10/469,063** to operate in coordination US CDC to conceal in the patent invention that “wash lung” treatment open use in US’s hospital to lifesaving for American as www.ycec.com/UN/130915.pdf and below open letter!
