Dear

Sir or Madam:

Nobel's regret with to roar by ex-president **Carter** that was speed up to be notorious for lie's Obama! It more vile is to rear livestock in pens ISIS start at **terror attack "Charlie Hebdo"** !

Then President **Putin** opened air attack ISIS true and my below the open letter to publish after, the Germany Premier visit China and smile to catch an order for goods of 1700 hundred million to go home, but that lure for France President of manly man it was no dice! Because I was in imminent danger to involve just handle by the NPC Chairman **Mr. Zhang Dejiang**, but then **François Hollande** to met **Xi JP** after who still **to keep up** to meet with **Zhang Dejiang** after so to enrage the off-stage boss of **ISIS**, therefore, terror-attack Paris that massacre by **ISIS** to bring!

Because today's **Hollande** was clear-headed not again as before **ISIS** terror-attack "Charlie Hebdo" after to fool by **Obama** to join Ebola's vaccine test, so he to dispatch aircraft carrier air-attack **ISIS** at once with **Putin**, so **ISIS** was deem to fall for the off-stage boss and at once to massacre four Chinese to quarrel!

Now the inside story was very clear, so **Putin** promptly to bulletin confirm **ISIS'** fund come from one of G20 on Nov., 18, 2015 and that only a remove from to roll call China !

Because of Premier **Cameron** same the **Hollande** already clear who are the **ISIS'** off-stage boss now and free-will visit France, so **Hollande** at once direct flight Washington to force Obama must to unite strike at **ISIS** and again direct flight visit **Putin** to organizing an alliance!

Then a resolution to strike at **ISIS** by UN that was in effect after, but **Turkey** President still order to shoot down Russian warplane in a videotape same **ISIS**, because the Russian warplane (1000Km/h)at most wrong path 10 Second on **Turkey** territorial air space of 2.5 kilometer, so **Turkey's** recording-warn irrational already need not to refute! Because the foolish reason of shoot down it can to find at Obama's state, so instigate Turkey by Obama to enrage **Putin** to wheel retaliate **Turkey** that conspiracy was very clear, because **ISIS** was an efficient assistant for Obama to helped China to conceal Izm's medicine invention it can to see in below open letter, but **Putin** really not to fall for!

Now in China, then four Chinese to Killed for **ISIS** at the same time, but China master TV of ifeng.com still to make fallacy to hold back China to dispatch troops to quisle, because they worry if further fall out with **ISIS** after they will be to expose the fact of subornation for word! **The details link below:**

Because dress vereign state but is the **ISIS** terror organize in the process to trample civilization, so WHO continue kill at random life, as in the HK, those pneumonia death toll 7431 persons, this is a huge massacre city in your eyes now, so you can not to ignore!
